🍪 Decorate the Gingerbread Cookie

Decorate your cookie! Check off each thing on the list when you add it. Trace the dotted icing on the hands and feet.

- ☐ ⋱ trace icing
- ☐ 🎀 bow or hat

💡 **For grown-ups: why it works.** Following a short list and checking it off builds working memory and independence: the first steps of following multi-step directions. Drawing exactly 3 buttons is counting in action, and the small zigzag icing practices the up-and-down strokes in letters like w and v.
