🎅 My Letter to Santa

Trace the dotted words. Draw what you wish for in the box. Then finish the sentences and sign your name after "Love".

Dear Santa

I would like

Draw it here!

I was kind

Love

Finish the sentences, or ask a grown-up to write the words dotted so you can trace them.

💡 **For grown-ups: why it works.** A letter with a real reader in mind is the most motivating writing there is. Drawing first gives every child something to say; then they can tell you the words. "I was kind when I..." invites a moment of reflection about others, not only about presents.
