 Name: _____

✏️ Pre-Writing Shapes

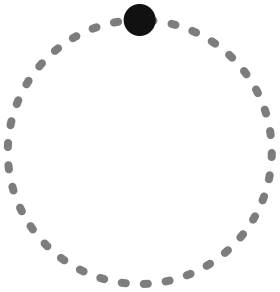

Trace each shape, starting at the black dot. Go over it 3 times with 3 different crayons!

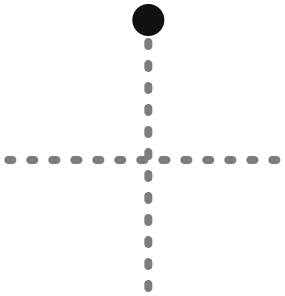

down

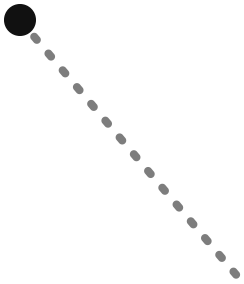

across

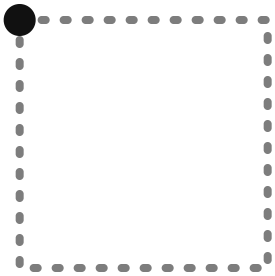

circle

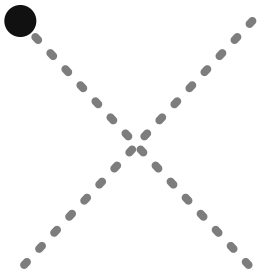

cross

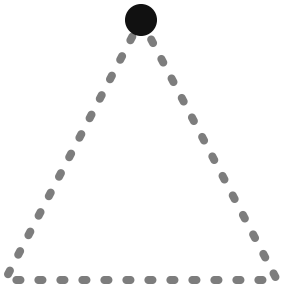

slant

square

X

triangle

wave

💡 **For grown-ups: why it works.** These are the pre-writing shapes children usually master in about this order: down, across, circle, cross, slant, square, X and triangle. Every letter is built from them, so once these feel easy, letters come much more easily.
