Name: _____

🔍 I Spy Winter

Find and count each winter picture. Cross each one out as you count it. Write the number in the box.

 how many? _____

 how many? _____

 how many? _____

 how many? _____

 how many? _____

 how many? _____

💡 **For grown-ups: why it works.** Crossing out each picture as it is counted keeps one number for each object, the heart of accurate counting. Pictures scattered in every direction are harder than a neat row, so slow down and check twice. Answers: snowman 3, mitten 5, penguin 4, scarf 2, cocoa 6, snowflake 7.
