Name: _____

🔍 I Spy Winter

Find and count each winter picture. Cross each one out as you count it. Write the number in the box.

 how many?

 how many?

 how many?

 how many?

 how many?

 how many?

💡 **For grown-ups: why it works.** Crossing out each picture as it is counted keeps one number for each object, the heart of accurate counting. Pictures scattered in every direction are harder than a neat row, so slow down and check twice. Answers: snowman 3, mitten 5, penguin 4, scarf 2, cocoa 6, snowflake 7.
